Remarks

Some homes just make everyday living easier, and this one does exactly that! Built in 2022, this 3 bedroom, 2 bath home offers 1,591 sq ft of comfortable living space with an open floor plan that feels bright, welcoming and easy to enjoy. One of the best features? TILE FLOORING THROUGHOUT - even in the bedrooms! No carpet to worry about. The kitchen offers plenty of cabinet space, 42-inch upper cabinets, stainless steel appliances, a breakfast bar and a breakfast nook, all opening to the main living area. The primary suite is tucked toward the back of the home with a spacious walk-in closet, dual vanities and a walk-in shower. Step outside to a covered patio and a backyard that's a blank canvas for whatever you have in mind. Add a 2-car garage, smart thermostat and ENERGY STAR certification, and you've got a home that makes sense!
